EDUCATION

- **Emlyon Business School, Lyon, France**
PhD in Management. 2015
- **IAE Business School, Universidad Austral, Argentina**
Executive MBA, Magna cum laude, 2007
- **Facultad de Ciencias Económicas, Universidad de Buenos Aires, Argentina**
Degree in Economics, 2001

RESEARCH INTERESTS

In organization studies his focus is on institutional theory and on topics related to power and resistance in and around organizations. He is currently studying processes of social inclusion in which marginalized actors seek to organize and work together to regain their many times neglected dignity. At a broader sociological level, he is interested in understanding the mediation between structure and agency.
